*By The Steeles*

## **Chorus**

I'm going to sing it again and again  
Your mercies the reason I am where I am  
No matter how far away I have been  
You loved me and kissed me and welcomed me in  
I'm going to sing it again and again  
Your mercies the reason I am where I am

## **Verse 1**

Looking back on the secrets only me and God know about  
Trying to figure out why you still love me I don't know how  
To stay that I got way too full of myself to say that I went way too far  
To ever deserve to come back to this place  
To ever believe that for me there was grace

## **Chorus**

I'm going to sing it again and again  
Your mercies the reason I am where I am  
No matter how far away I have been  
You loved me and kissed me and welcomed me in  
I'm going to sing it again and again  
Your mercies the reason I am where I am

## **Verse 2**

It seems that I am involved in a love I don't understand  
When I had made mistakes you sent the grace to me from your hand  
I still make no claim to be perfect today but safe in his arms I will stay  
I stand here in freedom my sins are all gone  
From mourning to dancing I sing a new song

## **Chorus**

I'm going to sing it again and again  
Your mercies the reason I am where I am  
No matter how far away I have been  
You loved me and kissed me and welcomed me in  
I'm going to sing it again and again  
Your mercies the reason I am where I am
